

How to Draw a Horse Head

In the final tutorial in our series of how to draw a horse, we're going to draw a horse's head. You can find the other horse drawing guides through the links below.

Drawing a horse head is easy if you follow the step-by-step instructions. There are only few difficult steps so this drawing tutorial is suitable for kids and people at all skill levels.

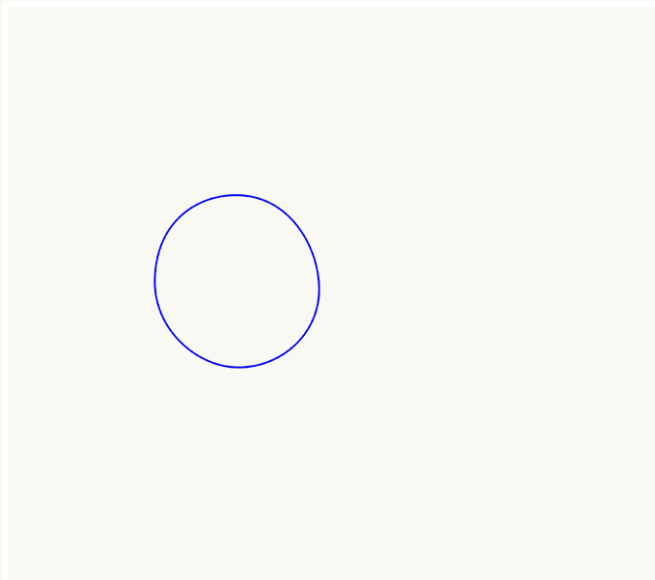

Sketch lightly and carefully in the beginning. We will start by drawing simple circles to outline the shape of the horse's head. Those circles will be erased later.

In the guide below, each step is highlighted in a light blue color.

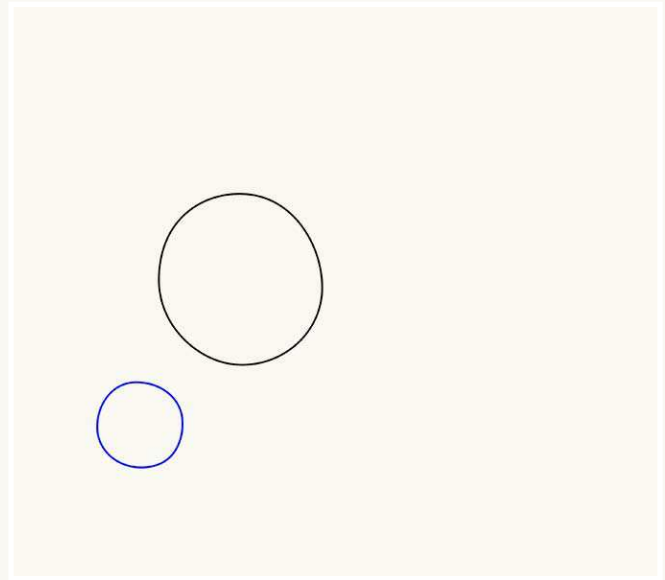

You don't need any special pens or tools. A regular pencil, eraser, and paper are all you need. If you want, you can also color the drawing with colored pencils or pens.

You can find a video version of this drawing tutorial below, as well as a printable PDF version.

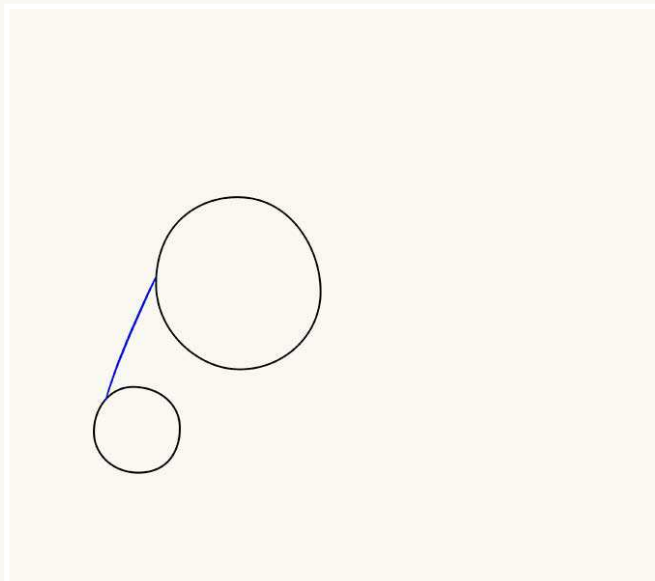

Step-by-step Instructions for Drawing a Horse Head
